

BURKE PRESBYTERIAN CHURCH PRESCHOOL

JOB DESCRIPTION - LEAD TEACHER for the 4-day 4s Class

Qualifications:

A minimum of two years as an Early Childhood Education Teacher in a licensed preschool or similar is required.

Our Philosophy:

Burke Presbyterian Church Preschool provides a loving and caring atmosphere in which each child is encouraged to develop as a unique person with a positive self-image. We nurture all aspects of a child's growth including social, emotional, physical, intellectual, and spiritual upbringing.

We understand that children develop at unique timetables, which are often uneven and unrelated to age. They also thrive in learning environments that nurture:

- an emerging sense of self and empathy for others,
- both structured and unstructured learning, and
- the disposition to learn by one's self and with others as an enjoyable lifelong pursuit.

In our program, children interact with their immediate world as a catalyst for learning, and they use play to explore, experiment, and discover the world around them.

Our staff is carefully selected for its warmth, dedication, and ability to empathize with children. Our teachers make every effort to provide a secure setting for preschoolers in their care and foster a strong sense of community. We adhere to all state and county requirements.
